Meet a Mentor Program

This year, for the first time, we have introduced a mentoring program to help instil a love of the music in our young people. Young musicians are given the opportunity to practice and perform a tune or two with one of our headline bands. The program has been assisted by funds from the SHINE foundation.

Salt Spring Island

Our Festival Venues

Our partnership was formed with a vision of creating a quality Estate Winery. Its proprietors are proud to tend the organic vineyard and on-site winery. Avid "West Coaststers", everyone has a love of fine wines and anticipates making world-class contributions to the B.C. Wine Industry. Our commitment to nurturing the land, producing quality wine, and providing optimum service will leave a lasting legacy.

SALT SPRING VINEYARDS

Come savour our sparkling hospitality. We offer a fun tasting experience, matching award-winning, hand-crafted wines with local foods in beautiful surroundings. Our limited production winery uses local coastal grapes, emphasizing sustainability to the land and community. We invite you to sample our traditionally crafted champenoise-style, white, red and dessert wines.

handmade cheese from
salt spring island cheese

We believe that a better kind of food business is one that reflects both good community and good food, as the two frequently go together. Salt Spring Island Cheese Company specializes in handmade goat and sheep cheeses. We started making cheese in 1994 and started selling it in 1996. Principally, we're known for our chèvres, although we also make several other types of goat cheeses (feta cheeses, surface ripened cheeses, and even a hard cheese).

Festival Venue Sponsorship

This year, for the first time, we have invited venues to partner

This year, for the first time, we have invited venues to partner with us in producing this festival. We are grateful to the three businesses above for their enthusiasm and support, and hope that we will be instrumental in bringing their excellent produce to a wider audience.
